INTERESTS

Working out
I have been a member of a gym since July 2024.

Manga
I love One Piece and Attack of the Titans.

Video games
I play a lot of Satisfactory,
Minecraft and Palworld

As a student pursuing a Bachelor's in Computer Science (BUT), I have proficiency in C# development, dynamic website design (HTML, PHP, JavaScript), and SQL databases.

Through my various professional experiences, I have already developed strong professional discipline.

I am currently seeking a 10 to 12-week internship as part of my studies to further enhance my skills and contribute to real-world projects.

PROFESSIONAL EXPERIENCES

University of Savoy, Annecy - France - 2800 students
Since September 2024

- **C# programming** remedial classes for first-year Bachelor's students.
=> Adaptability, autonomy, communication skills - High level of C#

Second-year university project

The project aimed to **develop an e-commerce** platform using the **scrum methodology**. Initially, a comprehensive needs analysis was conducted using **UML diagrams**. This was followed by the development of the merchant site, which incorporated a **robust database** for effective management of products and transactions. Concurrently, a legal analysis ensured compliance with **GDPR** by implementing necessary data protection policies. Additionally, an **ERP system** was integrated to enhance resource and operations management.

La rotonde, Restaurant in Aix-les-Bains - France - 30 employees
July-August 2023 and 2024

- Server and versatile team member in a gourmet restaurant.
=> Adaptability, customer relations, speed.

McDonald's, Annecy - France - 40 employees
December 2023 to March 2024.

- Versatile team member in fast food service
=> Customer relations, speed, stress management

VOLUNTEERING

Association : Planctonium, Aix-Les-Bains - France | 2018 to 2021

Planctonium aims to provide everyone with knowledge about freshwater plankton and spirulina

- **Support** for the club's funding
- **Active participation** in various projects
- Creation of **3D plankton models**, book on plankton, educational games, **documentary film**, sound and tactile games, and **Braille panels**.
- **C Génial** competition and conference on plankton and spirulina.

EDUCATION
